SUMMARY

Administrative and customer-service worker with 5+ years using office automation software to create and retrieve data, compiling information into reports, invoices, and correspondence, and maintaining organizational files and records in fast-paced settings. Comfortable with Word, Excel, Google Workspace, email, and POS/scheduling systems every day. Accurate, reliable, and calm under high volume.

SPECIALIZED EXPERIENCE

- Utilizing office automation software (Word, Excel, Google Workspace, email, POS) to create and retrieve data
- Compiling data and information to create reports, invoices, and correspondence
- Maintaining organizational files and records according to established guidelines

EXPERIENCE

Customer Service Associate (Deli) — Sprouts Farmers Market

North Park, San Diego, CA | 06/2026 to Present | ~32-40 hrs/week

- Enter and retrieve order data daily using point-of-sale and order systems
- Maintain department records, prep lists, inventory counts, and food-safety logs per store guidelines
- Compile daily prep and order information for the team so shifts run on schedule
- Serve a high volume of customers with clear, courteous information

Founder / Administrative & Client Operations — Onyx Studio (Self-Employed)

San Diego, CA | 2024 to Present | ~15-20 hrs/week

- Use office automation software daily to create and retrieve client data: contracts, statements of work, invoices, and project records in Word, Excel, Google Workspace, and email
- Compile project data and client information into reports, proposals, and correspondence
- Maintain organized digital filing systems and records for multiple concurrent clients
- Schedule and coordinate client appointments, calls, and project timelines

Driver / Independent Contractor — Uber

San Diego, CA | 01/2024 to Present | ~30-40 hrs/week

- Maintain accurate digital trip records and documentation through mobile software
- Manage scheduling, routing, and time-sensitive pickups independently with no supervision

Sales Associate, Women's Shoes — Nordstrom

UTC / La Jolla, CA | 08/2022 to 12/2023 | 32-40 hrs/week

- Created and retrieved customer, order, and inventory data in POS and inventory systems
- Maintained accurate records of orders, holds, returns, and customer requests
- Compiled product and stock information to answer customer and team questions quickly
- Ranked top 3 in department by sales through service and reliable follow-through

Carpenter's Assistant / Material Handling — A&G Cabinets

San Diego, CA | 01/2022 to 07/2022 | 40 hrs/week

- Checked parts and hardware against job lists and records to verify accuracy
- Maintained inventory documentation; staged and labeled materials

Warehouse Associate / Order Picker — J&K Cabinetry

San Diego, CA | 03/2020 to 12/2021 | 40 hrs/week

- Performed data entry of inventory and order documents; maintained stock records per warehouse guidelines
- Compiled order information from invoices and packing documents, verifying quantities and condition

SKILLS

- **Office automation:** Microsoft Word, Excel, Outlook/email, Google Workspace, data entry and retrieval, POS and scheduling systems
- **Reports & correspondence:** compiling data into invoices, reports, proposals, and professional email
- **Files & records:** maintaining organized digital and physical filing systems per guidelines
- **Qualified typist (40+ WPM),** accurate and detail-oriented

EDUCATION

LA Film School — Film Production Studies, 2016

Self-directed studies: office software, web development, AI systems (ongoing)
